11166. (a) Except as provided in subdivision (c), a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make a report to the agency immediately or as soon as is practicably possible by telephone, and the mandated reporter shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

 - (2) The agency shall be notified and a report shall be prepared and sent even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.
 - (3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.
 - (b) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine.

 - (2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.
 - (3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9.  - (B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.
 - (C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.
 - (d) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practically possible, by telephone, and shall prepare and send a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

1. ELDER AND DEPENDENT ADULT ABUSE REPORTING REQUIREMENTS

California Welfare and Institutions (W&I) Code Section 15659 requires Kaiser Permanente Medical Program to provide all "health professionals" and "care custodians" information concerning their responsibility to report incidents of observed, known, or suspected elder and dependent abuse. All health practitioners or care custodians must sign a statement acknowledging receipt and understand of the mandatory elder and dependent abuse reporting requirements. Kaiser Permanente must retain the signed statement.

Elders are persons 65 years of age or older. **Dependent adults** are persons between the ages of 18 and 64 with physical or mental limitations such as physical or developmental disabilities or age-diminished physical or mental abilities. The law also expressly includes any person between the ages of 18 and 64 who is admitted as an inpatient to an acute care hospital or other 24-hour facility as a dependent adult. (W&I Code Sections 15610.23, 15610.27 and 15701.2)

Abuse of and elder or dependent adult means either of the following:

- (a) Physical abuse, including lewd or lascivious acts, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or
- (b) The deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. (W&I Code Section 15610.07)

At Kaiser Permanente, a physician, nurse, and licensed or unlicensed health care professional, including administrative and support staff, who, in his or her professional capacity, or within the scope of his or her employment, has observed or has knowledge of elder and/or dependent abuse, or reasonably suspects elder and/or dependent abuse, **shall report by telephone immediately or as soon as practically possible and by written report within two (2) working days** as follows:

- (a) to the long-term care ombudsmen or the local law enforcement agency when the abuse is alleged to have occurred in a long-term care facility;
- (b) to the State Department of Mental Health, the State Department of Developmental Services, or the local law enforcement agency if the abuse is alleged to have occurred in a state mental health hospital or state developmental center; or,
- (c) to the adult protective services agency or the local law enforcement agency when the abuse is alleged to have occurred anywhere else. (W&I Code Section 15630)

All incidents should be documented and forwarded to the appropriate agency in accordance with local medical center procedures.

I certify that I have read and understand this statement and will comply with the requirements of the Elder and Dependent Abuse Reporting Law.
